HOT CHOCOLATE

TO MAKE HOT CHOCOLATE:

Add 3 to 4 tablespoons to 1 cup warm milk

A FROZEN VARIATION ON HOT CHOCOLATE:

Known as Frrrozen Hot Chocolate at Serendipity 3 of New York, this delightful beverage is essentially a more mature version of a milkshake. We like it served as is, perhaps with a dollop of whipped cream or a handful of marshmallows, but if you're a mocha fan, try adding a teaspoon or two of espresso powder, and enjoy the added buzz.
