

PIE CRUST MIX

OUR SIGNATURE RECIPE FOR

TENDER FLAKY PIE CRUST

Delicious, homemade pies are easy with our signature crust mix. A pantry staple, our flaky pie crust recipe starts with the best ingredients, already measured for you. All you have to do is mix, bake, and enjoy warm baked goods!

YOU'LL NEED

11 tablespoons cold butter*

5-6 tablespoons ice water

BAKES TWO 9" PIE CRUSTS

* or 2/3 cup cold vegetable shortening; or a mixture of 1/3 cup butter and 1/3 cup vegetable shortening.

- 1 • PLACE** contents of mix in a medium-sized mixing bowl. Work in cold butter or shortening until mixture forms coarse crumbs.
- 2 • SPRINKLE** water over mixture, tossing with a fork. Add enough water for mixture to stick together and form a cohesive dough. If dough is too dry, it will tear as you roll it out; if too wet, add 1-2 tablespoons flour.
- 3 • DIVIDE** dough into two pieces, one slightly larger than the other; form into disks, and wrap well. Refrigerate for 30 minutes or longer before rolling out.
- 4 • USE** larger piece of dough for bottom crust, the slightly smaller piece for top crust. Dust your work surface and top of dough liberally with flour before rolling to size needed.

TO MAKE AHEAD

Wrap dough airtight and refrigerate for up to 2-3 days, or freeze dough for 2-3 months.

BAKER'S TIP:

Does your recipe call for only one pie crust? Roll out extra dough and freeze in a pie pan for easy use next time you bake a pie.

COMPLIMENTS OF

The King Arthur Flour Kitchen

OUR SIGNATURE RECIPE FOR

TENDER FLAKY PIE CRUST MIX

Baking is about making something special, and trusting that it'll turn out every time. That's why we craft our mixes using tried-and-true, favorite recipes that we've perfected over the years — it's what makes our mixes so good.
