# CHOCOLATE CHIP COOKIES

2/3 cup light brown sugar, firmly packed  
2/3 cup granulated sugar  
1/2 cup unsalted butter, right from the fridge,  
or at room temperature  
1/2 cup vegetable shortening  
1/2 teaspoon salt

1 teaspoon vinegar, cider or white  
1 teaspoon baking soda  
1 large egg  
2 cups King Arthur Unbleached  
All-Purpose Flour  
2 cups chocolate chips  
2 teaspoons vanilla extract  
1/4 teaspoon almond extract,  
optional

Preheat the oven to 375°F. Lightly  
grease (or line with parchment) two  
baking sheets.

In a large bowl, combine the sugars,  
butter, shortening, salt, vanilla and  
almond extracts, vinegar, and  
baking soda, beating until smooth  
and creamy.

Beat in the egg, again beating until  
smooth. Scrape the bottom and sides  
of the bowl to make sure everything  
is thoroughly combined.

Mix in the flour, then the chips.

Use a spoon (or a tablespoon cookie  
scoop) to scoop 1 1/4" balls of dough  
onto the prepared baking sheets,  
leaving 2" between.

Bake for 11-12 minutes, until edges  
are chestnut brown and tops are  
light golden brown, almost blonde.  
Remove them from the oven, and  
cool on the pan until they have set  
enough to move without breaking.

Yield: 36 cookies.

Store cool and dry.
